Fouling the Ring			X 15 =	
Interference or Outside Assistance			X5=	
			Total Course Faults	

Start Value 100

Blue = 91 - 100

Red = 70 – 90.5

White = below 70

Less Time Faults _____

Less Course faults _____

Less Other Deductions _____

Final Score _____

Excusal E = Whistle White Ribbon, no time

- *Handler touches obstacle or dog*
- *Exceeding Maximum course Time*
- *Dog leaves the course area and stops working*

If a dog leaves the course as a result of fear or distraction the performance must be scored as non-qualifying. If the dog leaves the ring as a result of over-exuberance or miscalculation while working, such as being unable to stop, but returns *immediately* on *command,* no deduction will be assessed.
