To the Leadership at St. Cloud State University,

We, the faculty from Plovdiv University, have a long-standing collaboration with Prof. Dr. Plamen Miltenoff. Dr. Miltenoff has been presenting for years at our and other Bulgarian educational institutions on topics of education and educational technology.

We learn that this summer, Dr. Miltenoff will be visiting Bulgaria and we would like to extend our cordial and collegial invitation to present at the international symposium, which will take place at the Plovdiv University "Paisii Hilendarski" on June 5—7, 2015.

Thank you for considering and looking forward to meeting again Dr. Miltenoff and discussing with him.

Vice-Dean Faculty of Education...
Prof. Galin Tsokov, PhD
