

# Alternatives to Google Image Search

Richard Byrne - [FreeTech4Teachers.com](http://FreeTech4Teachers.com)

|   | Public Domain or Creative Commons? | Media types                 | Registration Required. | Consideration for classrooms.  |
|---|------------------------------------|-----------------------------|------------------------|--|
| <b>Stockio</b><br><a href="http://stockio.com">stockio.com</a>  | Public Domain                      | Image, video, icons, fonts. | Optional.              | Image citation not required, but is encouraged.  |
| <b>Pixabay</b><br><a href="http://pixabay.com">pixabay.com</a>  | Public Domain                      | Image                       | Optional.              | Sponsored images from Shutterstock may confuse some students. Make sure to enable safe search. |
| <b>Photos for Class</b><br><a href="http://photosforclass.com">photosforclass.com</a>                 | Creative Commons                   | Image                       | No.                    | Uses Flickr as image source with additional image filters added on.                            |
| <b>Morgue File</b><br><a href="http://morguefile.com">morguefile.com</a>                              | Both                               | Image                       | Optional.              | Mix of Public Domain and Creative Commons images. Students must check licensing on each image. |
| <b>The Public Domain Review</b><br><a href="http://publicdomainreview.org">publicdomainreview.org</a> | Public Domain                      | Image, Audio, Video         | Optional.              | Search options aren't refined.   |
|   |                                    |                             |                        |  |

|   |               |                     |           |  |
|---|---------------|---------------------|-----------|--|
| <b>Wikimedia Commons</b><br><a href="https://commons.wikimedia.org/wiki/Main_Page">commons.wikimedia.org/wiki/Main_Page</a> | Both          | Image, Audio, Video | Optional. | Search can be confusing.<br>Mix of Public Domain and Creative Commons images. Students must check licensing on each image. |
| <b>Library of Congress</b><br><a href="https://www.loc.gov">loc.gov</a>   | Public Domain | Image, Audio, Video | No.       | Search can be confusing.   |
| <b>NPS Digital Image Archive</b><br><a href="https://www.nps.gov/pub_aff/imagebase.html">nps.gov/pub_aff/imagebase.html</a> | Public Domain | Image, Video        | No.       | Search can be confusing.   |
| <b>Flickr - The Commons</b><br><a href="https://www.flickr.com/commons">flickr.com/commons</a>                              | Public Domain | Image               | No.       | Students can easily end up on Flickr.com instead of The Commons.   |
