GET PHIT WILL PROVIDE ELIGIBLE STUDENTS WITH PAID INTERNSHIPS WITHIN HEALTH DEPARTMENTS, NON-PROFITS, AND HEALTH SYSTEMS EVERY SEMESTER.

The Gaining Equity in Training for Public Health Informatics and Technology (GET PHIT) Consortium, led by UTHealth School of Public Health and School of Biomedical Informatics in partnership with HBCUs, HSIs, and other university partners, and state and local public health agencies across Texas is focused on reducing the nation’s health inequities by expanding the number of public health professionals from underrepresented groups trained in public health informatics and technology.

The GET PHIT internship is a 160-hour part-time paid internship relevant to public health informatics. Students will receive a stipend ranging from $2,440 - $3,000 based on education and skill.

Eligibility:
- Must be a student from a GET PHIT participating institution
- Must participate in a GET PHIT boot camp, approved program, and/or course
- Have a strong interest in public health informatics and data science

Students from underrepresented minorities are STRONGLY ENCOURAGED to apply. Additional information about the GET PHIT program can be found online HERE.
