 PARENT & STUDENT
 PORTALS!**

The course concludes with a cumulative Final Exam.

- Save all notes, homework assignments, and assessments to study for the final

★ Daily Student Classroom Tasks

- Enter class prepared with necessary materials
- Begin to record homework into your agenda, complete the "Do Now", and take out homework that is due
- Correct homework and ask questions if confused
- **Record and/or annotate notes during instruction**
- Make the best use of our time together by staying on task and showing effort

★ Daily Student "Outside the Classroom" Tasks

- Leave class and school prepared with necessary materials
- Choose an environment where you can focus
- Reread notes, complete assignments, and write down questions you may need to ask
- Keep monthly calendar to help with time management
- **Return to school with all necessary materials**

★ Absent, Forgetful, or Confused?

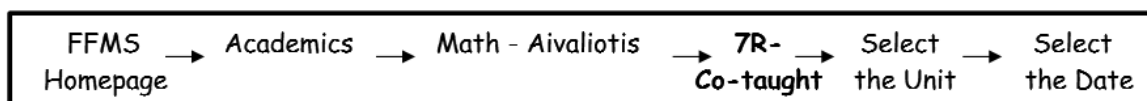

View Daily Presentations on the class website

- Access notes, homework assignments, announcements, and extra help times

Attend Extra Help
