

## Zucchini Corn Boats

- 6 small (about 8 inch) or 3 medium (about 12 inch) zucchini
- 6 ears of corn
- 1 medium onion, chopped
- 1 tablespoon olive or vegetable oil
- ¼ teaspoon pepper
- ½ cup part skim mozzarella cheese, shredded

1. Preheat oven to 350 degrees.
2. To form “boats” out of the zucchini, lay zucchini on a cutting board and slice off the top third, lengthwise. Hollow out the zucchini by using a spoon or melon baller to scoop out the inner seeds and pulp of the zucchini.
3. Chop the top zucchini slice and pulp.
4. Prepare corn by holding each cob upright and slicing off the kernels.
5. Heat the oil in a large skillet on medium heat. Add onion and cook for five minutes; add chopped zucchini, corn kernels and pepper. Cook an additional 10 minutes or until zucchini is soft.
6. Place zucchini boats in a baking dish. Fill boats with chopped zucchini, corn, and onion mixture. If there is extra zucchini corn mixture, put it in the baking dish along with the boats, or save it for another meal.
7. Top the zucchini corn boats with the shredded cheese.
8. Bake for 30-35 minutes at 350 degrees.
