

Northern New York Beef Producer Meeting

Monday April 3rd 6:00pm

@ The Club Restaurant, Canton NY

Topic: Vaccinations and Preconditioning calves

The Northern New York Beef Producers and **Canton Animal Clinic** would like to invite you to a beef producer meeting on Monday, April 3rd at 6:00 pm. It will be a sponsored dinner and presentation at the Club Restaurant on Court Street in Canton, NY . The topic will be **Vaccinations and Preconditioning** of market calves for maximum health and profit.

The guest speaker is **Dr. Grant Crawford**, Technical Services Manager with Merck Animal Health. Grant was born and raised on a crop and livestock farm outside of Beaver Creek, MN. He spent three years as the Director of Beef Technical Services at Form-A-Feed Inc, was a Feedlot Extension Educator and Assistant/Associate Extension Professor with the University of Minnesota Extension from 2007 to 2012. He is also an Adjunct Assistant Professor at the University of Minnesota where he contributes to research, teaching, and extension activities and serves on graduate student committees. Grant has a broad knowledge of the beef industry and has vast experience on the topic of cattle health, vaccines and what buyers are looking for.

Special thanks to Merck Animal Health for sponsoring the meeting and the meals. Please attend it will be very good talk on a subject important to everyone in the beef industry!

Please RSVP by Mon 3/27 to:
