

Stephen H. Weiss Presidential Fellows

In recognition of the importance of undergraduate teaching, the Board of Trustees established the Stephen H. Weiss Presidential Fellowships. Each year, a nominating committee, appointed by the president, solicits nominations and then recommends nominees for the president's final selection.

The fellowship is a university-wide award for a tenured faculty member who has a sustained record of effective, inspiring, and distinguished teaching of undergraduate students and of contributions to undergraduate education. The title Stephen H. Weiss Presidential Fellow is a permanent designation, and recipients receive a \$5,000 a year award for five years, as long as they continue to hold a professorial appointment at Cornell.
