Diversity Center of Excellence Reception

A project of the Cornell Center for Health Equity
In Collaboration with Weill Cornell Medicine and
Community Partners

Friday, October 12, 2018

3:30pm-5:30pm

*Belfer Research Building 204A/B
& Skylight Lounge*

(413 East 69th Street)

The Cornell Center for Health Equity (CCHEq) was founded in 2018 and is led by **Monika Safford, MD** and **Avery August, PhD**. The CCHEq responds directly to community priorities by focusing on practical, relevant research and education topics.

Susana Morales, MD leads the Diversity Center of Excellence and the Center's Education Core. Health Resources and Services Administration Center of Excellence Program funds 19 programs nationwide focused on improving diversity in medicine and addressing health disparities.
