

# It's A Spring Fling!

## 4-H Spring Fling 2015-Entomology

When: Friday, April 24, 2015

Time: 6-8PM

Where: Cornell Cooperative Extension Cayuga Education Center, 248 Grant Avenue, Auburn, NY

Who: Youth in Grades K-8

(note: youth age 5-7 will need to have a parent present)

Cost: Cayuga County 4-H Members \$5/ea.  
Non-Cayuga County 4-H Members-\$7

Youth grades k-8 will enjoy learning about millipedes, spiders, grasshoppers, slugs, crickets and many more invertebrates through hands on activities including; examination and dissection of giant grasshoppers, building of ladybugs and dragon flies, creation of bug eyes, and beetle pulls. Youth will explore insect mobility, anatomy and other unique qualities that make these invertebrates interesting. Please note: **You must be pre-registered for this event.**
