Dear Cayuga County 4-H Families, Friends and Volunteers,

As the springtime season gets under way, we are reminded that Youth Fair will be here before we know it. There is much to do, much anticipation, preparation, goal-setting and education to be had as youth make the journey toward the 2013 Youth Fair and State Fair. As we head in that direction, there are some key deadlines you need to be aware of:

- May 1, 2013 - All Horse Paperwork was due
- May 31, 2013 - Horse Show Registrations due
- June 1, 2013 - All Animal species paperwork is due
- June 14, 2013 - Youth Building Exhibit Registration due (Link for on-line registration will be available soon)
- June 21, 2013 - All Animal Science Exhibit Registrations due (Links for Registration will be available soon)

There will be fun opportunities to participate in Youth Fair Activities along with exhibiting, including having a club display, make and take items, giving a produced in NY or Public Presentation, and much, much more. We encourage youth to make the most of the summer season, take advantage of the learning opportunities that you have, and HAVE FUN!

Adults and parents, we thank you for all that you already do, and the important role that you play in making these opportunities for youth success. As adults, we need to be good role models, modeling the excellent behavior that we expect to see from Youth. Additionally, adults need to remember that this is an event that is for youth, and therefore we need to model to youth the most important thing that youth should be doing, and that is to have fun while learning.

Thank you all for making 4-H great in Cayuga County, and we look forward to seeing our youth shine this summer!

Sincerely,

Dorothy Slegle

We would like to thank the wonderful people who volunteered their time to make this a successful event. Robin Bartholomew showed our younger 4Hers how to make a sand art project, a duct tape project, a bead bracelet, a clothes pin recipe/photo holder, lip gloss, and a healthy snack; Maureen Mahoney and family taught a traditional Irish step dance; Celeste and Cara Carmichael made healthy snacks in the kitchen with several 4Hers; Janine Svitavsky’s class created beautiful kites out of straws and string; Vivian and Tommy Chappell assisted kids in putting together solar powered robots; and Audrey Mochel taught 2 classes on gardening. Special thanks to Brittney Lillie and Brandi Jezerski for helping wherever needed and taking some great photos. The evening went smoothly with everyone pitching in to do whatever was needed so that the 4H youth could leave not only with several neat projects, but also a smile on their faces!
