

Calling all gardeners! Would you like to...

Improve your soil? Add nutrients for next years' veggies? Start out with a weed-free plot next Spring?

Learn how at the workshop:

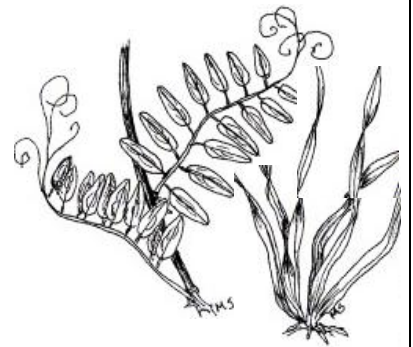

Cover Cropping for Healthy Soils

Friday, September 6, 6:00-7:30 pm

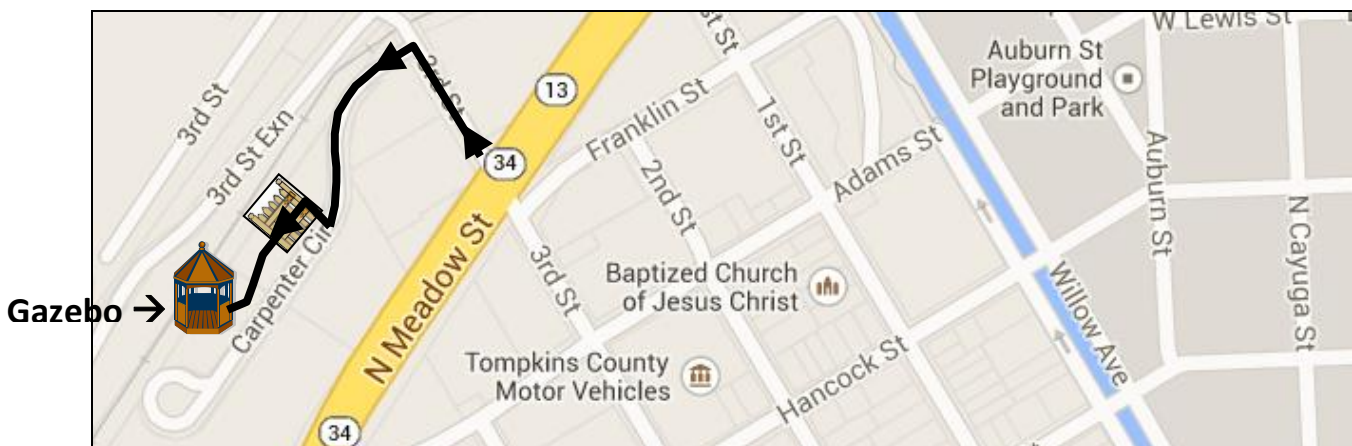

Ithaca Community Gardens
West Garden Gazebo

- * Learn cover crop basics, benefits, and how to select cover crops for different seasons & purposes
- * Participate in a planting demo
- * Get FREE SEEDS!

Directions: Turn north from Route 13 onto 3rd Street (toward the Farmers' Market). Turn left onto Carpenter Circle (BEFORE the railroad tracks). Come through the gate on your right to enter the West side of the garden.
