Junior Dairy Leader Program

If you know of youth in your area or region who has an interest in learning more about dairy careers and leadership development, the Junior DAIRY LEADER program may be for them.

The program is a year-long program for youth/adults ages 16-19 years old. Must have an interest in the dairy industry, career planning and their own personal and professional development. The program starts in late September with a 7-day trip to Madison, Wisconsin, to tour the Wisconsin dairy industry and also attend the National 4-H Dairy conference. The program ends the following August with a graduation ceremony and presentation. We will have 8 to 9 workshops in the program year.

Printable brochures and applications are available at: http://ansci.cals.cornell.edu/extension-outreach/youth-extension/jr-dairy-leader-program

Applications are due by June 30th. Please contact Debbie Grusenmeyer at 607-255-0656 if you have questions or concerns about the program or application process.

The 2018 Herkimer County Local Foods Map is now available from Cornell Cooperative Extension of Herkimer County in East Herkimer; and is being distributed to organizations and businesses throughout Herkimer County and the Mohawk Valley including all of the Mid-York libraries and farmers’ markets located in Herkimer County. To view an online version of this map, please visit http://bit.ly/2018HCLocalFoodsMap

There are 59 producers on the map along with ten Farmers’ Markets this year. Support for updating and printing the map was provided by a grant from Herkimer County Mental Health through the Farm Family Assistance Project.

The benefits of “eating local” are many including fresher foods that taste great and are often more nutritious than foods that have traveled many miles and days to get to your table. Also when you buy directly from local farmers, your dollars stay within your community and strengthen the local economy which helps preserve farming as a livelihood and rural landscapes as farmland too.

For more information or to pick up a map, please call Cornell Cooperative Extension at (315) 866-7920.
Herkimer County Fair

Fair time is fast approaching, so here are some dates to remember. Non-animal exhibits can be entered at the fair on August 12 from 10 am – 2 pm. If you would like to help out on the day of judging, please contact the 4-H office. We need adults to help with evaluating; and youth to help as assistants.

All exhibits are released to be taken home on August 20 from 9 am – 11 am. Any exhibits not going to State Fair will need to be picked up at this time. Any exhibits not picked up will remain at the Herkimer County Fair. If you have any exhibits going to State Fair, we’ll be glad to transport them directly from County Fair to State Fair. You must bring appropriate packaging for safely transporting your exhibit (i.e. newsprint or tissue paper to wrap fragile items, cardboard boxes to secure them from sliding around in the vehicle); as well as your completed Exhibitor Entry card and Exhibitor Entry Statement.

Leaders and parents, now is the time to assist your 4-H members in preparing for the County Fair. An early start will help insure that the Fair is a positive and fun experience for everyone. Many last minute problems and disappointments can be avoided by making plans now. Here is a checklist of “to dos” to get you started.

- Go over the Herkimer County Fair book with your 4-H members. Make sure they have a copy. Read it together. Plan exhibits they will bring to the fair; and what preparation the exhibit will need.
- Assist members to fill out their entry blank and exhibit tags COMPLETELY, prior to the fair. It makes for a much smoother day; and less stress on everyone if you come with all your paperwork completed ahead of time.
- Explain the conference evaluation style of judging to members. Conference judging helps the member feel at ease and in a more receptive frame of mind. Conference evaluation is often easier for the judge. The member gains a greater benefit from the experience. Conference evaluation eliminates the question of why an item received a certain ribbon, therefore, making the evaluation of project work more educational.
- Explain the Danish System. Within the Danish System, each exhibit - be it a birdhouse or a flower - is compared to the ideal for the exhibit given the exhibitor's experience & age. Exhibits are not placed in a ranking, rather each item is judged on its own merit. Participants receive either a blue ribbon (excellent), red ribbon (good) or a white ribbon (worthy). Green ribbons (participation) are distributed to exhibits that are display only. The emphasis is placed on the process of learning, not necessarily the end product.

REMEMBER, it's a well-known fact (with historical basis, ask any old 4-H member) that those who take an active part in the fair have more FUN!!!

*Reminder* STATE FAIR 4-H EXHIBITOR ENTRY CARD

Any 4-H exhibits chosen for NYS Fair must have the Exhibitor Entry card and include the Exhibitor Entry Statement filled out and returned to 4-H staff by the end of Herkimer County Fair PRIOR to picking up your exhibits. They both need to be included on every NY State 4-H Youth Building exhibit that will be evaluated. Only exhibits with entry cards and statements, filled out completely and attached by August 20, by 11 am, can go on to the State Fair. The Exhibitor Entry Statement is a fillable pdf form, found here: http://4hstaff.cce.cornell.edu/system/files/exhibitorentrystatement.pdf that can be filled out on a computer and printed, or printed as a blank form and filled out by hand. The State Fair Exhibitor Entry Cards will be on green card stock. Please toss or recycle any old entry cards you have.

4-H PUBLIC PRESENTATIONS & MAKE N’ TAKES AT THE HERKIMER COUNTY FAIR

The 4-H office would like to encourage 4-H clubs to do a Public Presentation and/or Make ‘N Take activities at the County Fair August 14-19. If there is a project your club worked on during the year, please consider demonstrating what you learned in the youth building for the public. Pick whatever day and time works best for you. We can help you with ideas and supplies if needed.

The county 4-H is sponsoring a STEM activity about fishing to go with the Herkimer County theme of “Oceans of Fun”. Please plan to help showcase 4-H in the exhibit building by participating in interactive activities with the general public. Contact Wendy to reserve your time.

There are teen leader opportunities in evaluations, poultry, cynology, GPS/GIS, fashion review, shooting sports, and sustainable energy. The youth building also has opportunities in Jr. Iron Chef, Robotics, and in the new Activity Zone. 4-H teens may also take advantage of working in our county booth with the public. **Junior Superintendents**

These positions are designed for 4-Hers age 16 and over who wish to be involved in a much deeper State Fair leadership experience. **There are a limited number of spots and they fill very quickly!** Besides positions in the youth building, there are also opportunities in animal science. **First year Junior Superintendents are typically only be scheduled for 1 week.** A premium of $40 per day will be paid to youth selected to be Junior Supers. These youth should be highly motivated to serve and be the most responsible/hardest working members that counties have! Their roles will be key to the day-to-day success of 4-H activities at the fair. More specifics can be found in the handbook and the application procedures.

**Youth Leader activities for 9 to 12 year olds – NEW**

**YOU ASKED FOR IT...YOU GOT IT!** Counties have been asking for an opportunity for younger 4-Hers. This year 9 to 12 year olds can work in their county booths or in the Activity Zone, both under county supervision. A $6/day premium for 3 hours of coverage will be available.
Admission tickets are $28 per person. Admission with an all-you-can-eat lunch buffet will be $38 ($31 for those 3-7 years of age).

Buffet includes: hamburgers, hot dogs, grilled chicken breast, salt potatoes, corn on the cob, chips, watermelon and all-day beverages. The lunch buffet will be served from 12:30 - 2 pm so come at the beginning, middle and end and get your fill. Also included with the lunch buffet option will be all you can eat ice cream novelties. They will be served from 3:30-4:30 pm in the pavilion, which will be a great afternoon snack.

For those that choose to purchase the lunch option, you will have use of the reserved pavilion for the day to get out of the sun, store your stuff, etc. Only those purchasing the lunch option will have access to the pavilion.

Tickets will be on sale thru July 27. Tickets must be paid for in full before they will be given out. If you already have a pass to Enchanted Forest, you can add on the lunch option for $15 (8 and older) and $5 (3 - 7 years of age), which will give you the options as listed above. Feel free to invite family and friends (even if they are not in 4-H) and to take advantage of this great price.

And don't forget…if you did a 4-H Public Presentation at either of our county-wide events, you will get $10 off of your ticket! Call Jenn with any questions.

2018 Fulton-Montgomery 4-H Horse Show being held on Saturday, July 21st, 2018 at the Fonda Fairgrounds. This year's judge is Andrea LaManque. Pre-entries are due to the Fulton-Montgomery 4-H office by Monday, July 2nd. Late entries will be accepted for a higher entry fee.
Meat Birds are back at the 4-H livestock auction! You must register and pay the $10 deposit for the birds by June 1st. It is required by New York State law to purchase a minimum of 6 birds at a time; however, you may order as many as you want. If you are ordering for multiple youth in your family, be sure to have a couple extras to account for possible losses. Orders will be taken until June 1st. Once we have a complete order number, we will know how much the birds cost, but they will be no more than $1.65 per a bird; the more we order, the lower the price. You must order your birds from us in order to sell in the auction. Jennifer will call you with the final price and amount owed after the order is placed. We will be ordering from NEPPA Hatchery in Fort Plain, NY. Birds will be available for pick up on August 1st, from the Herkimer CCE office. Time of pick up will be determined by hatchery, and communicated to participants by mid July.

The auction will take place on September 22, 2018 at 5 pm. Enrolled youth must follow the Rules and Regulations established by the Mohawk Valley Show and Sale Committee. Expectations include record keeping and securing at least 2 buyers per a pen (2 birds) sold. Each member is allowed to sell one pen of two meat birds. Birds will be processed for buyers on Sunday, September 23rd, and must be picked up by the buyers that afternoon. Youth may process their extra birds at that time at their own expense and are responsible for pick up.

Any questions or concerns, please contact Jennifer. Go to this link to order your birds no later than June 1st! https://reg.cce.cornell.edu/Meatbirds2018_221

Also... Those planning on selling a hog or lamb must send in the animal ID forms to the Herkimer CCE office no later than June 1st! This includes those recipients of the Earn a Project Award animals as well as any youth that purchase an project animal elsewhere. The chick order (see above) is the official registration for the poultry portion of the Show and Sale. Contact Jennifer if you need an ID form or if you are interested in participating in this opportunity!

Herkimer County 4-H would like to thank the 4-H volunteers and 4-H members that came out on May 18 and May 20 to weed and plant the flowers and vegetables at the Utica Zoo. 4-H members and volunteers planted the raised beds with sunflowers, lettuce, kale, squash, peppers, beans, carrots, strawberries, cucumbers, borage and sweet potatoes. At the same time, flowers beds along the paths within the zoo were also weeded and cleaned up.

Herkimer County 4-H will be providing volunteers to maintain these gardens for the summer months along with zoo staff, right up to the fall harvest. Many 4-H families and volunteers will be coming in weekly to weed and water the new garden beds. Zoo staff will be helping 4-H members harvest the garden produce throughout the summer month to feed to the many zoo animals.

This is part of the Utica Zoo garden project and is open to all Herkimer County 4-H members and their families. We are so proud of all the hard work that was done by all who came. We appreciate all that you do to make Herkimer County 4-H part of our greater community.

Herkimer County 4-H clubs participating included: Green and Growing, Kuyahoora Kaprines, Occupational Hazards, and Independent members.
4-H is a community of young people across America who are learning leadership, citizenship, and life skills.

The **Hawkes Dyn** family held a 4-H meeting in March to organize donations for the Herkimer Humane Society. Their pet drive was a huge success! They received a lot of support from the Richfield Springs Central School community and Burrstone Animal Hospital in New Hartford.

4-H members attended the Hog and Lamb workshop hosted by Top Notch Livestock in Jordanville. There they learned showmanship techniques for each species and were each able to make a hog waterer to take with them to upcoming shows. The workshop was very informative! Thank you to Top Notch Livestock and Jennifer Collins for all of the great information!

The **Merry Moos** and **Mini Merry Moos** did not meet in March. Club members Denten and Logen Spellman, Brooklynn Williams and Dylynn Casanova read to the West Canada Valley 2nd Graders for Ag Literacy week and treated them to ice cream. 4-H members Madesen Spellman, Nathan Goodwin and Collin Petrie participated in County Public Presentations with Nathan being chosen to move on to the district event.

The club met in April at the Salm's house. Club members worked on their fair projects. The 4-H club made and painted 4 bird houses to donate to the West Canada Valley School Garden Club. 4-H members will be meeting with the garden club in May to give the birdhouses to them.

The **Kuyahoora Kaprines** did not hold a meeting in March. 4-H members participated in the County Public Presentations and club member McCaylia Plungis was chosen to go on to the district event. They did not hold a meeting in April.

The **All Seasons** 4-H club met in March to plant seeds for their garden project. They did not hold a meeting in April.

The **Milkshakers** 4-H club did not hold a meeting in March or April.
The **Norway Country Critters** had a meeting in March to plan parades for summer and the theme for the 4-H Club floats.

The club also met in April to make their new 4-H t-shirts. 4-H members tie dyed their shirts which they are going to get the club name and the 4-H logo on. The members also watched the Wizard of Oz so they could pick out which character to be for the parade in the summer. The club planned the next meeting for May 1st to bake some cookies just to say thank you to our three local fire departments.

The **Green and Growing** 4-H club held a meeting in March to go over possible new meeting locations. The club discussed working on a club project of a large ocean display for the county fair. In April, club members made garden waterers from plastic bottles. The club also talked about possible dates for a club trip.

I went to the STARR 4-H Teen Retreat at the NYS Fairgrounds with fellow 4-H club member Autumn Borek and had a lot of fun. The State Teen Action Representative Retreat (STARR) is a three-day, fun-filled event where 4-H teens participate in a variety of workshops and activities meant to challenge, excite and further develop life skills. When we first arrived we were split up into roundtable groups with kids we didn’t know. We had 5 roundtable sessions throughout the weekend where we had icebreakers, challenges and played games.

We also got to pick what workshops we wanted to participate in. I choose to make ice cream, learn about the gravity of the planets, and Life Net (where we learned about firefighters and emergency vehicles). My favorite part of the weekend was meeting new people and becoming good friends with some of them. I had a great time at STARR 2018 and can’t wait to go again next year.
