Notice of Programmatic Space Need

(Space Request Short Form – use when few specific details of the space need are known)

Existing, Cornell-owned space must be utilized as effectively as possible in order to support desired growth. Any endeavors that require additional space should be addressed first within a unit's current allocation, then within the unit's lead college or division.

This form documents an expected or impending need for space that cannot be met within the existing college or division allocation. A unit should complete this form as soon as it identifies the potential to occupy new space. The submission of this form provides early notification to the Director of Capital & Space Planning and the Space Use Advisory Committee of an impending need for space. This form starts the process; more detailed information may be required as the need is developed.

This request will be reviewed by the Director of Capital & Space Planning and then directed to the Space Use Advisory Committee for final review and comment.

Send the completed form and any relevant attachments to: Director of Capital & Space Planning, Suite 440 Day Hall or spaceplanning@cornell.edu. Call (607-255-2557) or e-mail with questions.

Check here if additional documentation is attached.
