June 2019

To: County Educators with Horse Responsibilities and Regional Chairs
From: Robin Bartholomew, NYS Fair 4-H Horse Show Superintendent
Re: Entry Forms & Updates for the State Fair

Dear Educators and Regional Chairs,

I wanted to share some important items that should be shared with any 4-Her and parents/guardians who will be taking part in the NYS 4-H Horse Show.

- **The entry forms** are for divisions like last year not for the whole show.
- **Dressage classes** do not count in the total number of (15) classes an exhibitor can participate in during the show.
- **All Gymkhana horses** have to be checked in by 6:00 on Sunday, September 1, 2019. NO EXCEPTIONS!
- **Stabling** will be done by the office, by Region. Depending on the number from the Region, there may be a shift in barns.
- **Hold over horses** need to be indicated when sending in the Regional entries. Availability of space will depend on number of horses registered for the division. Horses will be allowed to hold over for one division only.
- **Any exhibitor** with a hold over horse who wishes to ride after the completion of a division MUST bring their number to the office and get a replacement number before riding.
- **Review the Rule Book** for any changes made in the division & know patterns when arriving at the fair.
- **There is a new Trail Scoring Sheet.** No individual sheets will be used.
- **Exhibitors may not sign** in for a division before the division that is in progress.
- **Appropriate Attire for Warm-up and Show Ring must be worn:**
  - No Shorts or Ripped Jeans
  - No Spaghetti Strap or Tank Tops
  - Boots and Helmet are a MUST!
- **Camping** as usual. Check out after the completion of division unless you pay for an extra night. Please don’t enter early or stay late!
- **No Parking** is allowed along the barns without a tan parking vehicle pass which is issued with camping passes.
- **Tickets and Parking** passes need to be obtained before the start of the NYS Fair from the county office. There is no access at the Fair.
- **If you SEE SOMETHING that you don’t feel or think is appropriate** SAY SOMETHING to the 4-H Horse Show office personnel so it can be addressed immediately.
- Have FUN!!!!

Any questions or concerns please feel free to contact the 4-H Horse Show Superintendent.
