

## **Survey Sample #1** (Post-test for children and youth program participants)

Hello! We want to know about the garden project you're doing and how you feel about it. We have some questions for you to answer so that we can try to make our projects better in the future!

### **Which of these things have you done in your gardening program?**

- I planted seeds
- I watered the plants and flowers
- I took weeds out from the garden
- I picked vegetables when they were ripe
- I helped with composting
- I talked with the adult leaders about my ideas
- I helped plan things to do
- I helped make decisions
- I helped find answers to problems
- I got to be in charge of some of the things we did
- I helped raise money for the garden
- I helped decide what to do with money for the garden
- I was a member of a committee
- I talked to other people about the garden
- I helped write an article about the garden
- I showed other kids how to do things, like planting
- I looked after the younger kids

### **Which of these things did you learn from working with the garden?**

- How to plant a garden
- How to look after a garden
- How to decide what plants are best to grow
- More about vegetables, herbs, and flowers
- How to tell the difference between the plants and weeds
- How to get rid of insects and pests
- How to use different tools in the garden
- How to work together with other people to reach a goal
- More about nature and the environment
- More about my school
- More about my town
- How to make decisions
- How to find answers to problems
- How to talk about important things with adults
