

Take 10 minutes to read the book (elementary) or a chapter/section from the book (middle and high school). After reading, write responses to the following questions. Then discuss your responses with your group.

<p>What do you like best about the book?</p>	<p>What do you like least?</p>	<p>What instructional goals can this text help you achieve?</p>	<p>What additional information might you need to use this material effectively?</p>
<p>What challenges do you anticipate encountering once students engage with this book?</p>	<p>What might you do to mitigate those challenges?</p>	<p>What complimentary lesson plans/ activities could go along with this book?</p>	<p>What experience do you have in utilizing similar resources or lessons?</p>
