**Location:** Science & Engineering Hall, B1220

All are invited to the SEH WoW TALK (What's our Work) Seminar Series. These short talks (15-20 minutes each) are designed to introduce faculty and students to current and exciting research projects undertaken in labs in the SEH, to initiate discussion, collaborate, share expertise, and to promote research performed in the SEH and at GW.

Please bring your colleagues to join us and network with each other. Refreshments will be served.
