

CURRENCY

Internship Title:

Graphic Design Intern

About the Company:

Currency is a studio based in Singapore that pivots on the axes of graphic design, art direction & cultural production, working across divergent forms of output from exhibitions, art events, publications to content creation. Our range of work spans from institutional to independent engagements and we work closely within arts and cultural contexts.

Internship Job Scope:

Work alongside Creative Director to facilitate and execute different design facets of ongoing projects such as brainstorming and conceptualisation, print production or installation and setup.

Pre-requisite from Candidate:

- Proficiency in Adobe Suite, namely Adobe Illustrator, Indesign and Photoshop is necessary.
- Knowledge in Web-related processes is a plus.
- Works well independently and collaboratively.

Timeframe:

2 to 3 months. Nov 2016 to January 2016.

Any other timeframes can be possibly discussed.

Allowances:

\$750/month.
