Resources

1. Books & Multimedia

Use our Library webpage to find books and audio-visual materials on medicine and locate them either at Level 20 (Clinical Sciences Building, Novena Campus) or Level 4 (Lee Wee Nam Library, NTU).

2. E-books

We have a collection of online books which you can access anytime & anywhere. For details, refer to http://blogs.ntu.edu.sg/lkcmedlib/accessing-resources/e-books/

3. Journals, Databases, Dissertations & Theses

Access thousands of articles and journals through OneSearch or our NTU Library Subscribed E-journals list. Browse medical databases such as PubMed, MEDLINE (Ovid), EMBASE (Ovid), BioMed Central and ClinicalKey. For more databases, go to our NTU Library Subscribed Databases Subjects list, Medicine: http://venus.wis.ntu.edu.sg/lib_databases/

Access & Tools

4. Library Tools

Speed up your online search using the following: OneSearch, NTU Library Toolbar, Full-text@NTU Library. For more information, refer to http://www.ntu.edu.sg/Library/Pages/teaching.aspx

5. Remote access to online resources

Use your NTU network account & password to log-in to all online resources, printing and renewal.

6. Academic Writing

Manage, store and organize your assignment citations with EndNote.

For details, refer to: https://blogs.ntu.edu.sg/lib-learning/workshops/
Services

7. Research Assistance

We can guide you to available resources and search strategies to answer your queries. Contact us at 6592 1990 or email medlib@ntu.edu.sg

8. Interlibrary Loan & Document Delivery

Need materials from local/ overseas libraries that are not found in ours? Refer to: http://www.ntu.edu.sg/Library/Pages/request.aspx

9. Loan, Return, Renew, Hold

Borrow library materials at the self-check machine and return them at the book drop. Renew and place hold on a book online using your NTU network account.

10. Printing, Copying, Scanning, Computers

Printing, photocopying and scanning facilities are available with payment by EZ-link card. Windows and MAC computers are available at Level 2 (Novena).
