DR-NTU

Welcome to DR-NTU (Open Access)

We aim to capture, store and preserve the scholarly output of Nanyang Technological University (NTU) and make it available to the global research community. The repository contains open-access collections.

We accept the following categories of publications in our Open Repository. Please email us for clarification.

- Journal Articles
- Conference Articles

Announcements
Researchers can submit papers to DR-NTU via RIMS.

Bonus Features!
1. Share a paper via social media (e.g., Facebook, Twitter, etc.).
2. Check the number of times a paper has been viewed or downloaded.

NIE Digital Repository

The NIE Digital Repository aims to organise, preserve and facilitate dissemination of publications and research output of the National Institute of Education (NIE).

Most of the items are available for open access. Examination papers are available to NIE staff/students only. Dissertations/theses are available to NIE staff/students (on-site and off-site) and NTU staff/students (on-site only). Approach Service Desk for assistance. Centre for Research in Pedagogy and Practice (CRPP) research reports are accessible to NE staff only.

Library Services
Supporting the Research Cycle

- Provide industry scanning and emerging trends forecast literature
- Acquire data sources
- Write Data Management Plan (DMP)
- Provide advice on copyright issues

- Support long-term preservation of research output
- Promote reuse of data

- Generate scholarly impact reports
- Leverage on social media and networks
- Set up physical and online showcases

- Create project website and digital archive
- Explore digital tools and approaches
- Visualise data to identify patterns and insights
- Provide personalised research information needs consultation

- Submit papers with ORCID
- Design infographics & video abstracts
- Store final data in data repository
- Keep manuscripts in DR-NTU
- Provide DOI minting
