

Project VOICES

**YOU, YOUR FAMILY, AND OUR UNDOCUMENTED
COMMUNITY MATTER!**

The termination of DACA is a life-changing event for millions of immigrant families, and we have much to learn about how this stressful event is affecting them.

If **ANYONE YOU KNOW** is affected by the termination of DACA, please complete this **anonymous** survey so that we can learn about your experience and what is helpful.

**FINDINGS FROM THIS SURVEY WILL BE USED TO INFORM INTERVENTION AND
ADVOCACY EFFORTS AIMED AT PROTECTING THE WELLBEING
OF OUR IMMIGRANT FAMILIES**

Your VOICE makes a difference!

To complete the survey, type the link below on your browser or email us at lmg7@rice.edu

<https://goo.gl/1YoaHT>

This survey is conducted by Dr. Christopher Fagundes and Dr. Luz Garcini at Rice University in collaboration with Dr. Mary Short at the University of Houston-Clear Lake.

To learn more about how we use your voice to make a difference, visit our website at <http://bmed.rice.edu/proyecto-voces/> or email Dr. Luz Garcini at Luz.M.Garcini@rice.edu
