The Value of **YOUR** Transferable Skills
Identify & Translate Your Transferable Skills to Build Your Career

Session Objectives

- Define “transferable skill”
- Identify one or two of *your own* transferable skills
- Translate your transferable skills to other jobs or opportunities for growth and development

Transferable Skills

A transferable skill...

- A set of skills that can be applied to a variety of jobs, departments or industries
- Is developed through experience, education or training
- Can be used to begin a new career or advance your current career

What’s the benefit of discovering your transferable skills?
