As a leading research university with a distinctive commitment to undergraduate education, Rice University aspires to pathbreaking research, unsurpassed teaching and contributions to the betterment of our world. It seeks to fulfill this mission by cultivating a diverse community of learning and discovery that produces leaders across the spectrum of human endeavor.
Responsibility, Integrity, Community, Excellence

Values that define our culture and guide our behavior
“In recognition of her dedication, the Board of Trustees of Rice University establishes the Elizabeth Gillis Award for Exemplary Service to Rice University, to annually recognize the outstanding achievements and services by a staff member in support of the mission of the University. Recipients shall, like the woman for whom the award is named, show consistently outstanding performance and embody an exceptional attitude of service.”

»Resolution by the Board of Trustees, May 2000
