

Port of Cascade Locks

Community Profile

Population 1,055

Location Cascade Locks

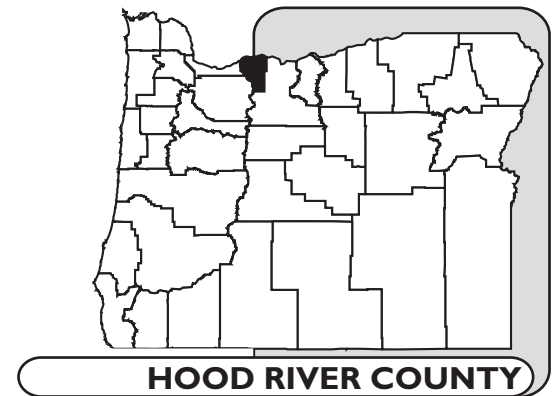

Position Description

Sponsor Port of Cascade Locks

Supervisor Chuck Daughtry
General Manager

Assignment **Parks Planning.** The Port of Cascade Locks is a municipal local government serving the community of Cascade Locks. Its primary mission is to facilitate the economic development of Cascade Locks.

The RARE participant placed with the Port manages a number of parks related projects. Currently, the Port of Cascade Locks is developing a sailing center, engaged in a land exchange, involved in the permitting process of the marine park entrance, and constructing a multipurpose trail system. Specifically, the RARE participant is responsible for communicating project details to local residents using social media, engaging stakeholders in the planning process, preparing planning and construction documents.

RARE Participant

Rachel Burand

Rachel Burand was raised in Excelsior, Minnesota. She recently graduated from Linfield College located in McMinnville, Oregon where she studied Environmental Policy and Electronic Arts. As a student, Rachel received the Linfield College Trustee Scholarship and was a member of the SPURS National Honor Society. During her junior fall, she studied abroad at the Galapagos Academic Institute for the Arts and Sciences in Ecuador. Last summer, Rachel interned for the National Audubon Society's Appleton-Whittell Research Ranch in Elgin, Arizona where she worked with a community group on renewable energy issues.
