

Network of Oregon Watershed Councils

Community Profile:

Population 137,893

Location Eugene

Position Description:

Sponsor Network of Oregon Watershed Councils

Supervisor John Moriarty

Assignment

The RARE participant will be assisting staff for the Network of Oregon Watershed Councils, the purpose of which is to build capacity and outreach across the state for councils by councils. The participant will be responsible for organizing the newly forming offices, regularly responding to contacts made via e-mail and phone with the Network, assisting in the production of a state-wide watershed atlas, and assisting in the planning of the first state-wide Watershed Council Biennial Gathering. The participant will also assist in the production of materials about the Network.

Required Skills

The ideal RARE participant will have computer skills in Microsoft office, and good creative and organizational skills. The participant will also need leadership, project management, editing, and interpersonal communication skills.

RARE Member: *Jenny Bayn - 2004-2005, Year 11 Participant*

Jenny Bayn graduated from Utah State University with a B.S. in Sociology. She has worked as a graduate and undergraduate teaching assistant in Sociology at The University of Montana and Utah State University respectively. She has also completed an internship on an organic farm through the University of Montana. In 2004 she graduated from The University of Montana with a M.A. in Sociology with an emphasis in Rural and Environmental Change.
