

Course Announcement

Reading the *IPCC Fifth Assessment*

GEOG 607 (Seminar), 9:00-11:50 T, 207 Condon, CRN 32455

Instructor: P.J. Bartlein, 154 Condon Hall, 6-4967, bartlein@uoregon.edu

Topic: “Reading the *IPCC Fifth Assessment*” The seminar will focus on the *IPCC Fifth Assessment*, in particular its structure, content and history, and relationship to assessments in general (like the Millennium Ecosystem Assessment or the various U.S. National Assessments), and to emerging international research initiatives such as *Future Earth*. Student seminar products will consist of a Powerpoint presentation or poster suitable for a technical briefing or class.
