Yes

No

What are your career objectives? If you are not sure you can say "not sure"

Why are you changing your major? (please select ALL that apply)

The major better tracks with the courses I need for my career objectives than my previous major

The major will allow me to finish my degree sooner than my previous major

I am more interested in the coursework required for this major than for my previous major

More of the courses I have already taken apply to this major than to other majors

The interdisciplinary nature of the major appeals to me

The major was recommended to me by another advising office (please indicate which office below)

Other, please specify below

**If you selected "other" above please
