College of Arts and Sciences Commencement: Parking Information

General Parking Information for Commencement

Park at Autzen Stadium

- Student attendees and guests are highly encouraged to park at Autzen Stadium on Sunday.
  - Review the Autzen Stadium driving directions and parking map.
  - We recommend arriving early on Sunday for your ceremony.
- Shuttles will run in a loop every 15 minutes from Autzen to three designated shuttle stops at Matthew Knight Arena, at the EMU, and by the Knight Library on Kincaid St.
  - The shuttle is FREE.
  - Look for the large posted Shuttle sign for pickup.
- You can also use the footbridge to walk from Autzen to main campus. Route information can be found on the maps below.
  - This is about a 20-minute walk but will give you the official UO gameday and commencement parade experience.

Limited Campus Parking

- Parking on campus is limited on Sunday but most parking zones/campus parking locations are free and do not require a parking pass on the weekends.
- We highly encourage carpooling/ridesharing, biking, and walking to campus for commencement.
- Please do not block roadways or wait for drop-offs/pick-ups.
  - There will be designated ADA drop-offs/pick-ups, which you may use for ADA purposes only.

Review the Maps

- If parking at Autzen Stadium, please review the provided map for more information. Also, please review all posted signs at the stadium for parking restrictions.
  - ADA accessible parking is available at Autzen Stadium near the shuttle stop.
- If parking on campus, please review the provided map for ceremony locations, parking locations, and ADA accessible parking options.
- Please read all signs in parking lots to ensure you are not cited for parking in a reserved location or a specific kind of pass is not needed.
- Pay-to-park metered spots are available but limited. Please read all instructions for payment. On Sundays, City of Eugene street meters are free.
ADA and Accessibility Information for College of Arts and Science (CAS)

- Our main CAS transportation shuttles running from Autzen Stadium to our designated three shuttle stops on Sunday are a great way for grads and guests to access the campus and their ceremonies.
  - These shuttles are free and run on a loop approximately every 15 minutes.
- CAS does have access to an on-call Access Shuttle for both Sunday 6/12 and Monday 6/13.
  - Please flag down one of our volunteers at the designated shuttle stops so that we can coordinate this service for grads and guests with access needs.
  - Please be patient with this process. It is best to communicate ADA and access needs to your department ceremony coordinators.
    - We are here to plan and help when it comes to grads and guests attending, partaking, and enjoying the ceremonies!
- CAS will also have golf carts that can help grads and guests with access needs for both Sunday 6/12 and Monday 6/13.
  - Please keep in mind these golf carts cannot assist folks with wheelchairs, but we have the Access Shuttle for this service.
  - Again, please be patient with the limited number of golf carts.
- Student Life will have golf carts available on Monday 6/13 for grads and guests.
- Please look for “Volunteer” shirts to ask questions of our teams!

ADA and Accessibility Information for Parking

- For Sunday, please review the included maps for ADA designated lots and spots within each parking area. Please read all signs and make sure you have your plates/placards viewable.
  - Autzen Stadium has designated ADA parking spots that are located near our CAS shuttle stop.
  - Those with early ceremonies can also drop off near their ceremony sites. Do no block drop-off zones, shuttle stops, or any designated reserved areas as you perform your drop off.
- For Monday, please review the included maps for ADA designated lots and spots within each parking area. Please read all signs and make sure you have your plates/placards viewable.
  - On campus, lot #37 will be designated for ADA parking for after the main ceremony and to access the Matthew Knight Arena ceremonies. There will be attendants at this lot location to help guide you to the correct parking spots.
Directions to Autzen Stadium

From I-5 North

- Take exit 194B to merge onto I-105 W/OR-126 W toward Eugene
- Take exit 2 for Coburg Rd toward Downtown
- Keep left at the fork, follow signs for University of Oregon and merge onto Coburg Rd
- Turn right onto Country Club Rd
- Turn left to stay on Country Club Rd
- Turn left onto Club Rd
- Turn right onto Martin Luther King Jr Blvd
- Turn right onto Leo Harris Pkwy Destination will be on the left

From I-5 South

- Take exit 194B to merge onto OR-126 W toward Eugene/I-105 W
- Continue onto I-105 W
- Take exit 2 for Coburg Rd toward Downtown
- Keep left at the fork, follow signs for University of Oregon and merge onto Coburg Rd
- Turn right onto Country Club Rd
- Turn left to stay on Country Club Rd
- Turn left onto Club Rd
- Turn right onto Martin Luther King Jr Blvd
- Turn right onto Leo Harris Pkwy Destination will be on the left

Additional Commencement Information

Main UO Commencement Ceremony Information

- The main UO Commencement Ceremony will take place Monday, June 13th, 2022 at 9am.
  - Parking at Autzen Stadium for this ceremony is highly encouraged since Monday is a working staff day at the university and all parking rules/restrictions/zonal passes are enforced.
  - Shuttles will run from Autzen Stadium to four locations on campus starting AFTER the main ceremony ends.
  - Attendees and guests can use the footbridge to walk from Autzen Stadium to main campus.
  - ADA accessible parking, shuttles, and transportation golf carts will be available around campus all day.
  - Please review the UO Commencement website for more information on ceremonies and events: https://commencement.uoregon.edu/

GradFest

- University of Oregon Alumni Association will be hosting a GradFest event on Monday, June 13th, 2022 from 12:00 PM – 4:30 PM on the EMU Green (behind the Erb Memorial Union building).
  - This event is free and open to all attendees and guests.
  - Photo opportunities and games/activities will be available.
  - Light refreshments and snacks will be available.

College of Arts and Science Hub(s)

- The College of Arts and Science (CAS) will have a main hub with to-go drinks and snacks for all guests and attendees of CAS ceremonies. The hub will be located at Tykeson Hall on the first floor.
  - The hub will be open 9:00 AM – 6:30 PM Sunday and Monday.
- There will be a secondary hub in/near the Global Scholars Hall.
  - This hub will be open from 12:00 PM – 6:30 PM Sunday and Monday.
- Please use the appropriate recycling and waste receptacles around campus for trash and recycling.
  - Water is allowed inside all ceremony sites. All other drinks and food should be stored appropriately before going into indoor ceremony sites.
Transportation Services

Parking

Almost all parking at the University of Oregon requires some type of payment or permit. There are two main types of parking on campus: Hourly parking and Permit parking. The majority of parking on campus is managed through license plate recognition, so you will need to know your vehicle's license plate before getting a permit or paying for hourly parking. Please make sure that your license plate information is correct and follow all parking rules and posted signs to avoid a parking ticket. No parking is allowed on campus between the hours of 12am - 5am, except with an appropriate overnight permit.

Parking information for ADA or other mobility challenges can be found on the Accessibility page.

Transportation Services has a range of options to accommodate individuals hosting events on campus, with detailed information available on the Event Parking page. Service vehicles, commercial vehicles, contractors, and construction workers should choose one of the options on the Service Vehicle/Contractor page.

HOURLY PARKING

Garage Parking
The University of Oregon has two garages that allow hourly parking, the 13th Ave Garage and the Millrace Drive Garage. Located beneath the Ford Alumni Center, the 13th Ave garage is accessed from 13th Ave and is the easiest place for visitors to find parking close to the center of campus. The Millrace Drive garage is located next to the Knight Campus and is a six minute walk from campus.
Garage Rate: $2.00/hr. Daily Maximum $18.00.
Only credit card payments are accepted at garage exits, but both garages have centrally located kiosks which accept cash and credit card payments.
*There is no overnight parking in the garages 12am - 5am.*

**Hourly Pay-To-Park Areas**
The university has hourly pay-to-park areas located around campus at a rate of $2.00 per hour. Payment can be made at conveniently located kiosks which accept Visa, MasterCard, AMEX, Discover, U.S. bills, and quarters. Payment can also be made with a mobile device through the [Parkmobile website](https://app.parkmobile.io/zone/start) using **Zone 7447**.

**Parkmobile App**
Visitors as well faculty, staff, and students are encouraged to pay for hourly parking by downloading and using the Parkmobile app if they regularly park on campus. The app will remember your vehicle and payment information for fast and easy parking. It also supports automatic reminders when a parking session will expire, as well as the option to extend a parking session without returning to the vehicle. Use **Zone 7447** for all campus Pay to Park areas.

**Parkmobile Website or Phone Number**
If you don't want to download the app, you can purchase parking right from the [Parkmobile website](https://app.parkmobile.io/zone/start). You can also pay over the phone by calling **1-877-727-5832**.

**Cash and Card**
We have four paystations located conveniently around campus. You can pay with a credit card or cash. Remember your license plate before leaving your vehicle!

**PERMIT PARKING**

All persons - including all faculty, staff, visitors, and commercial and construction representatives – who park in University-owned parking lots, other than metered spaces, during the period of 7 a.m. to 6 p.m., Monday through Friday (unless otherwise posted), must obtain a parking permit.

Permit parking at the University of Oregon Eugene campus is sold by zone. There are three main price points, A, B, & C, corresponding to proximity to the campus core. There are four A zones in the center of campus, five B zones located near offices, labs, and classrooms, and one C zone that encompasses lots on the periphery of campus. Zone permits are sold by the academic term, 30-day and day. All permits are purchased through the online parking portal.
Go to the parking portal (https://uoregon.aimsparking.com/)

Visitor Permits
Visitors can buy one-day and 30-day permits through the parking portal that are valid in the zone or lot that they are purchased for. Visitor Overnight permits for specific lots are valid for 24 hours. Larger events or those who need a permit for other durations should email transportation@uoregon.edu (mailto:transportation@uoregon.edu) for more information.

Commuter Zone Permits
University of Oregon students and employees have access to flexible permit options based on their university affiliation in Banner. These permits are available for the academic term, 30-day, or on a daily basis.

Resident Zone Permits
Residents of UO student housing have access to overnight parking options (https://transportation.uoregon.edu/overnight-permits) that vary based on residence hall or apartment location. The Transportation Services parking portal is tied to UO Housing's system, so you will only be shown parking options available to your residence.

Carpool Permits
Commuter zone permits may be shared between individuals as long as only one vehicle is on campus per day. All vehicles must be attached to the permit.

OTHER PARKING AND SPECIALTY PERMIT TYPES

Retired & Emeritus Permits
For retired employees and emeritus faculty who are not receiving compensation but are providing an ongoing contribution or connection to the university, a commuter permit may be available at no cost. More information is available on the Retired/Emeritus permit page (https://transportation.uoregon.edu/retired-emeritus-permits).

Reserved Parking
There are times when an individual or a department may need a guaranteed parking space on campus. A limited number of paid, reserved spaces are available to departments, faculty, and staff on a first come, first served basis in support of business related functions. More information is available on the Reserved parking page.
Affiliate Permits
Commuter permits are sold based on affiliation with the university: faculty, staff, or student. However, some individuals who work on campus but are not faculty, staff, or student may still have a need for a commuter parking permit. Contact transportation@uoregon.edu for more information.

Motorcycle Permits
Motorcycles and mopeds may only park in designated locations around campus. Commuter permit holders may use their permit with a motorcycle in designated parking at no additional charge. For those who only drive a motorcycle or moped, reduced-cost Motorcycle permits are available.
Accessibility at the University of Oregon

Transportation Services strives to make the University of Oregon campus accessible to all, regardless of conditions that limit mobility. We are also committed to providing clear and accurate information for the faculty, staff, students, and visitors who travel to campus.

ADA SPACES

All persons who park in University-owned parking lots, during hours when permit or payment to park is required, must obtain a University of Oregon parking permit or pay hourly for parking. These requirements also apply to ADA spaces on campus.

Commuter Zone permit holders:
If you have a zonal permit from the University of Oregon for any zone and a DMV issued disabled placard, you may park in any ADA space on campus. You must display your DMV issued disabled placard and have a valid University of Oregon parking permit.

Hourly Pay-To-Park Areas
Vehicles displaying an DMV issued disabled placard may park in any hourly pay to park area without payment, except the 13th Ave Garage and the Millrace Garage.

Visitor ADA Parking:
Visitors displaying a DMV issued Disabled Person Parking placard are eligible to park in marked ADA spaces by obtaining a University of Oregon Visitor Parking Permit from the parking portal. You may also use the convenient Parkmobile app to purchase a 'virtual permit' which allows you to park in an ADA space without needing to purchase a permit from Transportation Services.
ACCESS SHUTTLE

The Access Shuttle provides free on campus transportation for faculty, staff, and students with conditions that impact mobility. The Access Shuttle operates Monday-Friday 7am-5:30pm.

For detailed information or to schedule a ride, visit our Access Shuttle page (https://transportation.uoregon.edu/access-shuttle).

Schedule a Ride (/content/access-shuttle-form)

ADDITIONAL ACCOMMODATIONS

If further accessibility options are needed, the Accessible Education Center, the Office of Investigations and Civil Rights Compliance, or the Office of the Dean of Students are available to review individual situations and determine if a different parking accommodation is appropriate.
