During this board meeting, we voted for the position of Social Media Manager. Congrats to Elisa Trujillo, our now official Social Media Manager!

Plans for the volunteer events in February have been confirmed.

Emma will contact Food for Lane County to set up a delivery date for the food collection barrels. We will request for 2 barrels – one to place in the Willamette Atrium and one to place near the Science Library Café.

Oscar will be in charge of contacting Grassroots Garden for their availability on the weekends and setting up a doodle poll (or something similar) to determine the best date for us all to volunteer. We will contact Peter O'day to see if he is interested in joining us at Grassroots Garden to give a mini science talk on gardening/composting and such.
