Jim will prepare a brief (5-minute) presentation on the history and current affairs of the SACNAS national organization.

Madi will describe our local chapter goals (professional development, outreach, science-related recreation).

Sam will describe the roles of the executive board position we hope to fill by December and will prepare a sign-in sheet (including leadership interest and best days for meetings).

Decided to make and send SACNAS October 10th meeting flyer to the undergraduate coordinators in each of the UO STEM disciplines in addition to posting flyers in bathrooms and on bulletin boards around Klamath and Willamette Halls.

Jim will look into the possibility of having a table for SACNAS at the Community Fair sponsored by CMAE.

SACNAS will have a table at the Try Teaching and Outreach Fair in late October.

Sam will create a "lava lamp" demo and bring a sign-up sheet, tabling from 10-10:30 am and again from 12-1 pm.

Jim will make a page with information about SACNAS to have ready at the table and will be present from 10-11:30 am.

Madi will make a reusable SACNAS banner and will table from 11:30 am-1pm.
