

Attention Aspiring Science Teachers!

We have your back! Attend monthly *ESPRIT* Innovative Science Teaching Explorations to jump start your career.

The UO NSF *ESPRIT* program engages and supports undergraduate science majors in science research and teaching.

Find out about NSF Noyce *ESPRIT* Scholarship and Summer Research Opportunities, including:

- \$3,040 stipend for a summer research experience
- \$10,000 senior year scholarships*
- \$22,000 scholarships* for UOTeach graduate certification program

Help us schedule Explorations for winter term. Complete this Doodle Poll to let us know the best days and times for you to attend:
