Chemistry and Biochemistry Office response to the emergent COVID-19 situation

In order to reduce the risk of exposure to students, staff, and faculty, and in response to the emergent COVID-19 situation, the Chemistry and Biochemistry office will have reduced staffing and the office will be closed at 2:00 pm every day beginning Tuesday, 3/17/2020 for the coming weeks. Updates about university closures can be found here https://www.uoregon.edu/

During this period, the office will provide some services remotely. Email and phone messages will be checked regularly throughout the business day. Mail and packages will be delivered to the office as usual, up to 2:00 pm.
