**Subject:** DSCI/CIS 372 Home Unit

Dear Joe,

The chair of UOCC has indicated that multiply listed courses, such as DSCI/CIS 372, must have a home unit. I propose that CIS be considered the home unit for 372. Please indicate by return email your agreement with this proposition or indicating that you think DSCI should be the home unit. If it is the latter case, we should meet to discuss.

Thanks in advance.
