The Education Pioneers Summer Fellowship provides talented professionals an opportunity to address critical challenges in the education sector, addressing systemic inequities and helping to close the opportunity gap. We recruit professionals with skills in data analysis, strategy, and project management to partner with leading K-12 school districts, charter schools, and other education organizations and to grow as leaders.

**IMPACT FELLOWSHIP FEATURES**

**High-Impact Work Experience**
- 10-month placement on a mission-critical project aligned with your professional background and skills
- Supervision and management by an experienced organization leader
- $47,500 stipend ($58,000 annualized)

**Leadership Development**
- Practice leadership competencies and skills that will prepare you for success
- Interactive study and exploration of key education issues with sector leaders
- Collaborate with peers who will support and fortify your career

**Career Support**
- Long-term professional connections with a dedicated cohort of peers
- Access to a nationwide network of industry leaders, more than 750 partner organizations, and over 4,000 EP Alumni
- Advice, support, collaboration, and job opportunities from the EP network

**REQUIRED QUALIFICATIONS**
- Bachelor’s degree
- Two years of full-time, professional work experience
- Commitment to Education Pioneers’ mission and core values, and a passion for social impact
- Authorization to work in the United States on a full-time basis for the entire program (international students eligible only if visa assistance is not required)
- Commitment to the full program term including the ability to complete 10 consecutive months of employment, attend workshops, and other mandatory aspects of the Fellowship

**PREFERRED QUALIFICATIONS**
- Strategic, creative problem-solver
- Track record of success in academic and professional settings
- Strong communication skills to effectively engage with a diverse group of colleagues and stakeholders
- Experience in data and analysis and/or project management (professional experience outside of the classroom is strongly preferred)
- Intermediate to advanced skills in Excel
- Intermediate skills and knowledge in Tableau, SPSS, STATA, or other data visualization and data management software is a plus

- Chicago
- DC Metro Area
- Denver
- Kansas City
- Los Angeles
- Memphis
- Nashville
- Newark
- New Orleans
- New York
- San Francisco Bay Area
- Tulsa

**HOW TO APPLY**

Education Pioneers’ admissions and selection process is highly selective. We strongly encourage candidates to apply online as early as possible at www.educationpioneers.org. **Apply by March 28 for priority consideration.** The final round deadline to apply is May 23.

Education Pioneers believes it is critical for leaders in education to reflect the communities they serve. We actively recruit those who identify as part of historically marginalized communities, including people of color and individuals from the LGBTQIA+ community, to join the Education Pioneers network. We support equal opportunity for all people and we strongly encourage candidates from diverse backgrounds to apply for the Fellowship.
