FAMILY & HUMAN SERVICES
UPDATES FROM FHS PROGRAM DIRECTOR DR. KRISTA CHRONISTER

IN HONOR & MEMORIAM

Our country lost leader and jurist, Supreme Court Justice Ruth Bader Ginsberg. So many of you have been inspired and empowered by her work and example. As you move forward with this new school year, we hope that you remember who you want to make the world a better place for and that you “fight for the things that you care about, but do it in a way that will lead others to join you.” – Ruth Bader Ginsburg

WELCOME!

Our faculty and staff are looking forward to welcoming all of you to a new term and year! We are excited to meet all of our new FHS students and to reconnect with all of you who are returning. Many of you are navigating family, relocation, health, and other challenges that make starting this school year especially stressful.

Our FHS faculty and staff will be focused on staying connected with you and making sure that you know the resources available (see FHS program blog and bottom of page 1 of this newsletter). I will also visit your classes this term to introduce myself, say ‘hello’, and to connect for a brief time. Please stay safe and well as you prepare for the term and always reach out to us.

NATIONAL HISPANIC HERITAGE MONTH

September 15 – October 15 we celebrate National Hispanic Heritage Month to recognize and honor the contributions of Hispanic Americans to the history, culture, and achievements of the United States. Thank you to our FHS students who dedicate their education and lives to promoting the justice and health of Latinx communities. For education and inspiration, please check out the work of Dr. Lillian Comas-Díaz who developed an ethnocultural approach to mental health for the empowerment of Latinx families and communities and Dr. Julia Perilla who fought for Latina women’s rights and social services that serve the entire Latinx family, not only individuals.

Wildfire and COVID resources continue to be accessible via the UO Homepage
For all information related to your study in FHS, visit and bookmark the FHS blog webpage. You will find lists of FHS classes and program requirements, required forms, program handbooks, resources, field and research site information, and more.
