Here is a review of what is happening in FHS fall term.

- All FHS classes will be offered remotely only.
- Seniors may complete field site experiences remotely or in-person and anywhere in the United States. Please submit the Field Placement Confirmation form to fhssitecoordinator@uoregon.edu
- We have several new sites that we have secured and that will offer in-person and remote experiences. More and more of our existing sites are also confirming that they will be able to welcome interns this year. Please contact the FHS field site coordinator at fhssitecoordinator@uoregon.edu if you have not yet secured a senior field placement site.

FHS FACULTY & STUDENT SPOTLIGHT

Dr. Elizabeth Budd and FHS students, Ashley Easter, Yessenia Villalobos, and Emma Fallon, have engaged in impressive research together this year including conducting research at the UO Prevention Science Institute and presenting their research at the UO Undergraduate Research Forum. To hear your peers share about their experiences working with Dr. Budd and how it prepared them to work in the field, view this and this 50-second video.

RESOURCES FOR STUDENTS DURING COVID-19

The University continues to post updates on COVID-19 quarantine policies and health, financial, and academic resources for students.
