## **INSTRUCTIONAL TECHNOLOGY REFERRAL OFFICE (INTRO)... OUR DOOR IS OPEN.**

InTRO—a partnership between Academic Extension and the UO Libraries—is a first-stop resource designed to facilitate faculty implementation of access to educational technology by:

- assisting faculty in navigating those resources to meet individual needs, minimize obstacles, and expedite connections with service providers;
- encouraging innovation and excellence in digital teaching and learning;
- gathering and disseminating useful information about educational technology resources and services.

For more information or to contact InTRO, please call **541-346-9126**, e-mail [intro@uoregon.edu](mailto:intro@uoregon.edu), or drop by **147A Knight Library**.
