

# Temporary general-education group-satisfying courses

"**Temporary general-education group-satisfying courses** will be numbered "100 or 298" for lower division credit and "300" for upper division credit. A course may be taught for general-education group-satisfying credit once using a "100 or 298" or "300" number if (a) a course proposal to obtain a permanent course number has been submitted for review, and (b) an initial review of this proposal by the ICGER committee determines its suitability for group-satisfying status. (Approved on May 11, 2011; revised March 12, 2014.)"

Note: (10/6/2016) the ICGER committee was dissolved and those decisions transferred to the UOCC
