I. Announcements

Academic credits update – Career related courses are on hold but should be finalized by the end of the month by the Undergraduate Council and then forwarded to the Senate. The Graduate Council will probably want to have their own policy.

II. Discussion

AEIS – Christian will be the point person for these courses. The Graduate Council will need to weigh in.

There was a brief discussion on experimental courses. They may be taught three times and then should become a regular course.

HIST 340 – There was a question about the general education request since it is a 300-level course and the possibility of it becoming a 200-level course.

PEO 363 – UOCC approved.

PHIL 372 – There was notification to COE regarding possible cross-over issue. There was no permanent instructor listed. Students will need a background check for 4J. Concern with the SEI and how many hours students will spend with professor. Also concern about guest lecturers.

PSY 479/579 – Need more information on the differential. Assignment weights need clarification. Pictures not diverse on syllabus. How will GTFs be used

BA 661 – UOCC approved.

BI 160 – Reading seems advanced for 100-level course.
