- I. Announcements- None
- II. Discussion:

There was discussion on the rollback process in CourseLeaf and who on the committee should roll them back. The committee agreed that the UOCC coordinator would be the person. It was also agreed that UOCC members can attach any new information they receive. Attachments do not need to be done by the UOCC coordinator.

HPHY 212 Scientific Investigation: in class and online for summer term.

The title is weak and too general. Recommended to keep “Human Physiology” in title to distinguish it from other statistic courses. Course will be rolled back

INTL 331 Global Leadership through Intercultural Learning:

Some confusion regarding course and questions on title. UOCC member will email faculty for clarification

EDLD 686, 687, 688, 689 to be withdrawn

PPPM 495/595 Advanced Urban GIS

Potential overlap with Geography. Need letter from geography to confirm no overlap. Potential GTFF conflict.

PPPM 681 Nonprofit Financial Management

Submit the PPPM 684 proposal with changes to Courseleaf that were mentioned in this course. Need due diligence email from LCB. Course review decision pushed to winter term.

UOCC has **approved** the following courses:
