I. Announcements – None

II. Discussion

GEOG 419 – Course title change recommended per Scott Skelton. Committee suggests Professional Geography. Christian will contact the department.

CINE 425 workshop course. Frances will communicate with department. Skills based software (i.e. Avid) packages belong under the new general limitation 4d. professional/career development.

✓ MUS 393 – UOCC approved (change repeatability)

MUS 346 course looks good. General education request >2 Social Science is questionable. Waiting for due diligence on course overlap with School of Business and Law

✓ ANTH 417/517 GR school approves. Course approved by UOCC on 1/26/2017.

BI 620 Boyanna reports that exam grading rubric is still needed. Sara brought up question about 16 hours of engagement for projects/presentations. Not a major issue; GR school approves this course. Still waiting for UOCC approval.

AEIS 600-level courses – move to GRST Graduate Studies (new subject code). Mike will provide Sara Hodges with procedures for making new subject code request. UOCC recommends adding full suite of GRST generic course numbers as well.

EDLD – determined that courses are NOT hybrid online. These courses will use synchronous online distance education.
