I. Announcements – None

II. Discussion

BA 735 – There was concern about the hours and how that affects financial aid. Sue will have the compliance officer review it. Approved pending Registrar review.

BA 736 – Approved pending compliance issue mentioned in BA 735.

ENG 240 – Approved course, gen ed, and MC.

FHS 328 - Should have due diligence with psychology and courtesy email to anthropology. There needs to be an SEI. Also questions about enrollment restriction.

FHS 330 – Approved course.

FHS 331 – Approved course.

CDS 446 – Approved course.

ASL 311 – Approved course.

GST 621 – Approved course. AEIS would like to have it cross-published in the schedule.

PPM 686 – Concern about hours of activity adding to 40 hours of work if eating and sleeping are included. Perhaps prep work could be added. Would like to see grades include F.

SOC 330 – Need to know how they are replacing lectures with new online course. Would like to see an example of instructor/student engagement.

CourseLeaf discussion: (to be continued next week)

- Add column on SEI for online/hybrid
- When rolled back and then forward again, course required to go through all approvals again. Would like to have option to send it forward to selected workflow. Good idea to ask CL how they've handled this with other institutes.
- Need to add an additional contact. Have one faculty contact and one department representative.
- 400/500 courses – require an answer of yes or no
- Due diligence wording needs to be changed because the current explanation is not getting the information needed.
- The Multi-listed section needs to be its own separate section. Too close to due diligence which makes some people skip the due diligence section.
- Department sponsorship title needs changed perhaps to Overlap and Impact. There are three sections within that section and they need to be separated out.
