I. **Announcements** – None

II. **Discussion**

CH 685 – UOCC approved pending Graduate School's OK.

CH 686 – UOCC approved pending Graduate School's OK.

CH 687 – UOCC approved pending Graduate School's OK.

AIM courses – Syllabi light. Needs more academic rigor. Reading is only ten pages per hour. Need examples.

CIS 322 – Title may be an issue because of “engineering.” Expanded description hard to understand and needs to be revised. Change to match learning objectives.

CINE courses – Learning outcomes need more detail. Titles may need to be changed on some. Concern about the requirement to watch Netflix.

WGS 322 – Need other syllabus to compare overlap.
