

WGS Presents:

6<sup>th</sup> Annual Undergraduate Career and Research Forum:

# Graduate School and Beyond: Careers in the Sciences

All undergraduates, *of any year, major, and gender*, are invited to this free event to discuss the next steps after earning a bachelor's of science degree.

Join us for a Q&A session with a grad student panel from departments in STEM, followed by a round table discussion with local career scientists from UO and the surrounding area!

**\*\* Light refreshments will be served \*\***

**Wednesday, Oct 31, 12:30 – 2:30 pm**  
**Redwood Room in the EMU**

*Learn about:*

- Grad school applications ● GREs ● UO masters Internship Program ●
  - Careers in STEM ●
- and so much more!*

RSVPs encouraged online at
