

Apply by September 15 for Student Travel Awards, CUR Physics and Astronomy Division

The CUR Physics and Astronomy Division offers travel awards of up to \$500 to help support students who will present at CUR events or other professional meetings relevant to the division. Applications for travel awards must include a one-page letter outlining the nature of the meeting, a brief budget, and an abstract of the paper(s) or poster(s) to be presented. Applicants' mentors must be CUR members. Submit all materials to division chair [Terry Oswalt](#). Due dates for applications are September 15, 2017, at 5 pm EDT and March 16, 2018, at 5 pm EDT.
