

# New Logo Competition

The Public Health Foundation of Columbia County is changing names to **Columbia Health Services**. So we need a new logo. Your imagination is the limit, but we do prefer a nature theme.

**\$100 VISA Gift Card** will be awarded to the chosen logo; the winner will need to sign over rights for the design.

Submit your design as a vector graphic to [shenderson@tphfcc.org](mailto:shenderson@tphfcc.org).

Designs must be submitted by **11:59 PM PST November 19<sup>th</sup>** to be considered. The logo will be chosen early December.

## More About Us:

We are a community-focused non-profit organization providing quality and compassionate clinical and prevention services.
