

Quantitative Methods Peer Consultant

[University of Oregon Libraries](#)

About this Job

The University of Oregon Libraries is seeking a student to contribute to the Libraries' goal of supporting research and learning across disciplines at the University of Oregon. The Quantitative Methods Peer Consultant will report to the Head of Data Services, and work with the Data Services team to assist with the development and delivery of a statistical consulting program serving the U of O student body.

Duties (Bulleted List)

- Provide peer consultation on statistical methods for research-focused, dissertating and thesis writing students
- Assist in the implementation of a statistical education workshop program
- Assist in the creation of instruction and reference materials relating to research methods and statistics
- Assist in the promotion and assessment of program activities
- Conduct drop-in office hours virtually or in-person in the Libraries as campus policy dictates
- Collaborate with library partners on holistic research support
- Other duties as assigned

Special Requirements (knowledge, skills, experience, etc):

Experience with 1 or more of the following:

- Descriptive Statistics
- Data Visualizations
- Modeling
- Data Cleaning and management

Familiarity with research methodologies (sciences, social sciences, or humanities).

Experience using one or more of the following:

- R
- Python
- Excel
- SPSS
- Jamovi
- Matlab
- SAS
- SQL
- Javascript / HTML

Ability to explain concepts to peers

Experience with diverse communities

For consideration, please submit the following materials:

1. Cover letter, expressing your interest in and qualifications for the position;
2. CV or Resume;
3. Name and contact information of one(1) reference who can attest to your ability to perform the duties outlined above; and
4. Student Employment Application (located as an attachment to the bottom right of this posting page).

This position is working remotely up to 15 hours per week. Days and hours TBD.
BIPOC students are strongly encouraged to apply

About University of Oregon Libraries

The University of Oregon Libraries is an essential partner in the University's educational, research, and public service mission. We are committed to providing the university with outstanding library resources, programs, and services. We are dedicated to creating welcoming, inclusive environments for all members of our diverse community. With five locations on the Eugene campus, and branches at UO Portland and at the Oregon Institute of Marine Biology, the Libraries offers many flexible and well-equipped environments for library users' research and learning needs. Our mission is to actively support the student learning experience, enable the creation and stewardship of knowledge, and contribute to advancements in teaching, research, scholarship, and public service.
