

SEE or DON'T SEE?

Module 09, Critical & Creative Thinking

1. The teacher giving a lecture.
2. The teacher giving clear, short directions.
3. A set amount of time for the parts of the activity.
4. Learner-centered approach.
5. Students memorizing facts or vocabulary for a Mass Media test.
6. Connections between the topic and learners' own experiences.
7. A focus on accuracy and error-free language use.
8. A focus on fluency and communication.
9. Perfect student English.
10. Learners effectively communicating their message.

Answer Key: Module 09, Critical Thinking

1. DON'T SEE: The teacher giving a lecture.
2. SEE: The teacher giving clear, short directions.
3. SEE: A set amount of time for the parts of the activity.
4. SEE: Learner-centered approach.
5. DON'T SEE: Students memorizing facts for a test.
6. SEE: Connections...topics and learners' experiences.
7. DON'T SEE: A focus on error-free language use.
8. SEE: A focus on fluency and communication.
9. DON'T SEE (and that's okay!): Perfect student English.
10. SEE: Learners effectively communicating their message.
