Portfolio Self-Evaluation

Part I: Contents

I have completed all required sections of the portfolio satisfactorily:

Section	√	Comment (May include something you like about this section, something you consider interesting about it, how it might be improved, etc.) Optional.
Format is according to requirements There is a cover page.		
The overview summarizes the contents of the entire portfolio in an organized fashion.		
My personal goal is clear and specific.		
The reflection gives a clear purpose for the portfolio and explains, what I learned through this process, and how it might apply to my teaching.		
Assignments, including required drafts, are all present and completed in final form. Feedback has been integrated. Each includes a reflection about what has been learned through that assignment.		
Other work is related and organized well.		
The assessment section includes this self assessment, a peer assessment, and the list of criteria for evaluating this portfolio.		
Personal: (List)		

Part II: General Comments (Use back as needed.)

My portfolio demonstrates progress in the following ways:

Creativity is evident in:
